

Welcome to Northfield College. This handbook explains the rules that apply to all undergraduate students. The academic year has two semesters. The autumn semester runs from 1 September to 20 December, and the spring semester runs from 12 January to 30 May. The winter break lasts from 21 December to 11 January. Classes start at 8:30 am and the last lecture ends at 5:30 pm.

The Registrar's Office is in the Main Building, room 104, and is open from 9 am to 4 pm on weekdays. It issues transcripts, bonafide certificates and duplicate ID cards. Students must update their address in the student portal within 14 days of moving. Official messages are sent to the college email address only, so students should read it every day.

Registration and fees

Course registration for the autumn semester opens on 15 July and closes on 10 August. Students can add or drop a course during the first two weeks of the semester without a penalty. After that, a dropped course is shown as W (withdrawn) on the transcript.

The tuition fee for the 2026-2027 year is 84,000 rupees, paid in two equal parts. The first part is due on 25 August and the second part on 5 January. A late payment fee of 1,500 rupees applies to each part paid after its due date. Students who need more time can ask the Finance Office for an instalment plan before the due date; the plan allows up to four payments. The Finance Office is in the Main Building, room 112. Fees can be paid online by card or bank transfer, or at the cash counter of the Finance Office.

Attendance and leave

Students must attend at least 75 percent of the classes of each course to sit its final exam. Attendance is recorded at the start of every class; a student who arrives more than 10 minutes late is marked absent. Medical leave needs a certificate from a registered doctor, submitted within 7 days of the student's return. Approved medical leave does not count as absence.

A student whose attendance falls below 75 percent receives a warning email, and can appeal to the Head of Department within 5 working days. Students may take up to 3 days of personal leave per semester with the approval of their academic adviser. Every student is given an academic adviser in the first week of the first semester.

Exams and grading

Final exams take place in the last two weeks of each semester. Students must bring their student ID card to every exam; without it, they cannot enter the exam hall. Mobile phones must be switched off and left in the bags at the front of the hall. A student who misses an exam for a medical reason can take a make-up exam, which is held in the first week of the next semester.

Grades use a 10-point scale. The pass mark for a course is 40 out of 100. Re-evaluation of an exam paper can be requested within 10 days of the results, for a fee of 500 rupees per paper. If the re-evaluation raises the mark by 5 or more points, the fee is returned.

Scholarships and awards

The Merit Scholarship covers 50 percent of the tuition fee for students with a grade point average of 8.5 or higher in the previous year. The Need-Based Grant covers up to 100 percent of the tuition fee for students from families with an annual income below 3 lakh rupees. Applications for both open on 1 June and close on 30 June.

A student can hold only one scholarship at a time. Scholarship holders must keep a grade point average of at least 7.0 to keep the scholarship in the next year. The Dean's List is published at the end of each semester and includes the top 5 percent of students in each program.

Conduct and graduation

Plagiarism in any assignment leads to a mark of zero for that assignment; a second case is reported to the Academic Integrity Committee. Students must not record a lecture without the permission of the teacher. Smoking is not allowed anywhere on campus.

To graduate, a student needs 160 credits, including 12 credits of electives and a final-year project. The graduation ceremony is held every year in the third week of July. Students must return all library books and pay any dues before they receive their degree certificate. Degree certificates are posted to students who cannot attend the ceremony, for a fee of 300 rupees.
